Information Technology Resources  
Agreement on Privacy and Confidentiality**

**CONFIDENTIALITY AGREEMENT**

Recognizing the need to maintain individual and institutional rights to privacy and confidentiality AND realizing that, as a consultant/contractor to Bryant University, my responsibilities necessitate access to information stored on the bryant.edu domain; I affirm my intention to preserve the strictest standards of confidentiality in the use of this information.

I agree to comply with all policies, procedures and laws related to access, acceptable use, and security of University Information Services resources; administered as described [here](#).

I also understand that Administrative Systems are primary sources of University information for hundreds of users, who depend upon their completeness and accuracy and therefore agree to the following:

1. I will not disclose information obtained in performing my duties to anyone who does not require this information in an official capacity.
2. I will use Administrative Systems only for the purposes for which I have been authorized.
3. I will not disclose USERNAME(S) and/or PASSWORD(S) to any person(s).
4. I will print and retain records only when necessary.
5. Consultant/Contractor warrants that all of its employees who shall have access to proprietary information are under written obligation to Consultant/Contractor to hold such information in confidence at least to an extent consistent with the Consultant's/Contractor's obligations hereunder.
6. Confidential Information shall be deemed proprietary and confidential, and Consultant/Contractor shall have an ongoing responsibility to safeguard any such information and documentation.

I understand the intent of this agreement and will exercise diligence in performing duties in accordance with institutional policies.
